

GRACE KIDS

COVID-19 Guidelines

Developing a heart for Christ

The purpose of Grace Kids is to provide a safe and engaging environment where children develop a positive relationship with Christ, leaders, and each other through age appropriate bible teaching, object lessons, crafts, and activities.

PARENTS

- In order to provide a safe and clean environment for all children in our care, we ask parents to refrain from entering the Ziebell classroom.
- We recommend the child's temperature be checked before coming to church and if it is higher than 99.5 degrees, please plan to keep the child with you during the service.
- Please register your child via the link on the website in advance or the provided card prior to service.
- Children will be dismissed from the service and need to use provided hand sanitizer or wash their hands in the bathroom prior to entering the Ziebell classroom.
- Water will be served in paper cups to the children upon request. Snacks will not be available in the Ziebell classroom.
- Masks for children are optional.

VOLUNTEERS

- Volunteers will wear masks while inside and sanitize hands frequently.

GENERAL INFORMATION

- Crafts will be provided in individual kits. Supplies will not be shared between children.
- Children will have assigned seats inside, spaced 6 feet apart to enable social distancing.
- When weather permits, lessons and activities will occur outdoors.
