Home Reflection:

Do you find that you resent crises? That they frustrate you? What is a biblical outlook on crises?

When have you been most aware of your need for a Savior?

Do you, like Saul, encourage others to take steps for God? Or do you discourage them? Are there changes that need to be made in your life?

In what situation have you been aware of God energizing you?

What challenge are you currently facing in which you need God to embolden and empower you?
